## PETITION FOR CORRECTED FILING RECEIPT

December 3, 2003

Honorable Commissioner of Patents and Trademarks Washington, D.C. 20231

Attention: Petitions Examiner

Applicant herewith petitions for a corrected filing receipt, correcting the filing date of the subject application to February 4, 2003.

The subject application was filed via Express Mail and properly bears the Express Mail number on the top of the first page of the transmittal letter. Therein it is stated "Express Mail Label No. ET755323945US."

Attached hereto is a copy of an Express Mail label bearing the official stamp of the Centerport Post Office of February 4, 2002. February 4, 2002 was a Monday and the subject application should be assigned a filing date of February 4,

2002, and not February 6, 2002.

MAIL STOP DAC

I hereby certify that this correspondence is being deposited with the United Stat s Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

n \_\_\_\_\_\_/2/4/03

A correction to the filing date is of critical importance because applicant has claimed priority of a corresponding German application which was filed on February 2, 2002. February 2, 2002 was a Saturday and therefore a claim to priority with a filing date of February 4, 2002 would have been satisfactory.

Accordingly, correction of the filing date is respectfully requested.

It is requested that any required fee be debited to the account of the undersigned, #19-4675.

Respectfully submitted,

Micháel d. Striker
